

A Note from Ranch Events

~

Loosing someone is never easy.

Since most receptions are not planned, details can be overwhelming and confusing.

We want to make it easy for you by offering simple, tasteful, and affordable options that will please everyone.

~

Inside are 3 reception menus that are most often requested. They are interchangeable, and you may alter them as you like.

If these choices aren't what you had in mind, we have many others, and can also custom design menus. If you like, you may create your own menu, and choose your desired linen color as well.

Ranch Events offers Full Service Catering with Food, and Beverages, Flowers, Bakery, Rentals, Bar Services, and Wait Staff
